

**TERMS AND CONDITIONS FOR
APPLE PAY SERVICES**

These Terms and Conditions between you and First Midwest Bank (“we”, “us”, “FMB”) apply when you enroll in Apple Pay services (“Apple Pay”) and add a Card as defined below. The term “you” and “your” refers to the owner(s) of a FMB deposit account (an “Account”) as defined below and anyone authorized to use the Account and Card.

1. *Eligibility.* To use Apple Pay, you must have a mobile device designated by Apple Inc. (“Apple”) as compatible for Apple Pay (“Mobile Device”) and have an Account in good standing with a debit card (“Card”). If you are a minor (under 18 in most states), you must have obtained the consent of the owners of the Account to obtain a Card and to access Apple Pay. The Retail Account Agreement and Disclosure (“RAA”) apply when you use your Card to access Apple Pay. In the event of a direct conflict between the terms of these Terms and Conditions and the RAA the terms of these Terms and Conditions will govern.
2. *Use of Apple Pay.* Apple Pay allows you to make purchases using your Card with your Mobile Device from online merchants and at point of sale terminals from merchants that are enrolled in Apple Pay. You will not be able to use Apple Pay at all merchants that accept your Card. Merchants may require presentation of a government-issued identification to authenticate your identity before you may complete transactions.
3. *Your Account and Card Terms Apply.* When you add a Card to access Apple Pay, the terms of the RAA that govern your Card and Account, including limitations on the use of your Card and Account do not change. Apple Pay provides another way for you to make purchases with your Card.
4. *Fees and Charges.* Although we do not currently charge a fee for Apple Pay, the standard fees and charges that apply to your use of your Account and Card will apply. For example you will be responsible for overdraft fees if you use your Card to make purchases that exceed your available balance. See the RAA for details. You may also be charged fees by your wireless provider such as data use or text messaging charges.
5. *Access to Apple Pay.* To add a Card or Mobile Device to Apple Pay follow the instructions on www.FirstMidwest.com/ApplePay. We will indicate the Cards that are eligible and Apple will indicate the Mobile Devices that are compatible.
6. *Third Party Terms.* In addition to these Terms and Conditions, Apple, your wireless provider, and merchants and websites that accept Apple Pay may have additional terms that apply to your use of your Card and Mobile Device for Apple Pay. We have no control over and are not responsible for these terms. We are also not responsible for providing Apple Pay to you or for any actions of Apple, your wireless provider or a merchant when you use Apple Pay to make a purchase.
7. *Electronic Communication.* You consent to receive communications and disclosures from us in connection with your Card and Apple Pay including these Terms and Conditions

electronically rather than in paper form. You agree that we can contact you by e-mail at any e-mail address you provide to us in connection with your Account. You agree to update your contact information with us when it changes.

8. ***Security Credentials.*** **To help limit your loss call us immediately at 1-800-322-3623 if you believe your Mobile Device, passwords or other means used to access your Mobile Device and Card or Apple Pay (“Security Credentials”) has been lost or stolen or someone has used or may use your Security Credentials.**

We are authorized to act on transactions and other instructions received using your Security Credentials, and you agree that the use of your Security Credentials will have the same effect as your signature authorizing the transaction(s). If you disclose your Security Credentials to any person or entity, including any data aggregation service provider, direct us to assign Security Credentials to any entity or person, or permit any other person or entity to use Apple Pay, you are responsible for any activity and transactions performed on your Account with your Card or Mobile Device by such person or entity and for any use of your personal information and Account information by such person or entity. The loss, theft or unauthorized use of your Security Credentials could cause you to lose some or all of the money in your Account, plus any amount available under any line of credit. It could also permit unauthorized persons to have access to your personal information and Account information, and to use the information for fraudulent purposes including identity theft.

You are responsible for maintaining the security of your Security Credentials and for any transactions performed or information received using such Security Credentials, to the fullest extent allowed by law.

We will ask for your Security Credentials to confirm your identity only if you call us. We will never contact you via e-mail, secure messaging or telephone requesting your Security Credentials. **If you are ever contacted by anyone asking for your Security Credentials, you should refuse and immediately contact us.** You may be the target of attempted identity theft.

9. ***Governing Law.*** These Terms and Conditions are governed by and construed in accordance with federal law and the laws of the state of Illinois, without regard to its conflicts of laws provisions. Subject to the arbitration agreement in the RAA, you consent to the jurisdiction of the courts of Cook County Illinois and the United States of America for the Northern District of Illinois, and you agree that any legal action or proceeding with respect to these Terms and Conditions shall be commenced in such courts.
